

# WHERE, WHEN AND HOW TO GET AROUND

In an effort to get all Hoosiers where they need to be safely, a new road project has been initiated:

**OPERATION: SAFE PASSAGE** roundabout. This safety first project is taking one of the most dangerous intersections in Indiana and upgrading it for a safe passage.

The intersection of Indiana highways 64 and 162 is located in south-central Dubois County, near the Bretzville community. Jasper is six miles to the northwest, Ferdinand six miles south and Huntingburg five miles west.

## STAY INFORMED

When construction begins, check back here for detour information.

## OPERATION: SAFE PASSAGE

**PUBLIC HEARING: SPRING OF 2023**

**FINAL DESIGN: FALL OF 2024**

**CONSTRUCTION: SPRING OF 2025**

**ROUNDBOUT OPENS: SPRING OF 2026**
